

Mas Bel Air , Provence

THE BEST PANORAMA OF THE ENTIRE REGION

Mas Belair is situated on a rocky outcrop, at the heart of one of the most beautiful villages in the Luberon area, Gordes. A small path along the cliff leads to the property which offers you the most amazing views of the surroundings.

Mas Belair is breathtaking both inside and out. This house offers a very high interior comfort level. The materials used for the restoration of this old barn are noble, the furniture is precious and the comfort is modern. Should you come in either winter or summer, you will be amazed by this stunning villa.
