

Panorama , Biarritz / Saint Jean de Luz

PANORAMIC VIEWS OF BIARRITZ

Panorama is ideally located less than 5 minutes from downtown Biarritz & 2 minutes from the convivial village of Bidart. Biarritz is renowned for its five-star restaurants and world-class surf. You will also find plenty of things to love in Bidart, including authentic Basque architecture and typical cafes.

Outfitted in Moroccan linens and Indian artwork, Panorama boasts all the luxuries you would expect from a five-star resort, with the space and convenience of a private vacation rental. The gourmet kitchen features De Dietrich appliances and has everything you need to prepare fabulous meals at home. Both the living area and the downstairs bedrooms open onto a poolside deck, where you can lounge while taking in the view. Each room is furnished in a minimalist style that compliments the villa's natural surroundings. The villa's open floor plan and generously size rooms can accommodate up to eight guests, with space to spare. In addition to all of this, there is air conditioning in every room and an on-call property manager who will make sure your stay exceeds every expectation.
