

Villa Anila , Miami

A MAGICAL MIAMI MASTERPIECE

The possibilities are so numerous in Miami that you will not be able to do them all on your first visit. With the year round sunny weather of Miami, the city is fitting to those of all interests and backgrounds.

You can go anywhere from a cultural tour of the impressive 1930's architecture buildings, to Little Havana with its cigar shops and its Cuban food as well as the many tropical attractions (e.g. the Fairchild Tropical Botanic Garden, the Miami Seaquarium or the Monkey Jungle).

Otherwise, you can simply take a breath on Miami's beaches to practise one of the dozens of marine activities. For those interested in the party scene, you must not miss out on the legendary nightlife in the world capital of clubbing. No matter what you are looking for you will never be bored in Miami.

When it comes to magnificent villas, Villa Anila is one of Miami's true masterpieces. Both inside and out, this house is a true work of art, designed to exhilarate the senses at every turn. Boasting over 600m² of living space and 185m² of terraces, Anila was recently reconstructed with some of the finest and most expensive appointments and furnishings available. The result is astonishing: every room glistens with captivating décor, while the kitchen and bathrooms pamper you with open space and the finest fixtures available. Outside, Anila is nothing short of magical. The pristine black bottom contemporary pool, wide, covered with terraces, garden, and dock come alive at night with provocative exterior lighting that illuminates the outside enough for entertaining and relaxing. This combined with the illuminated Miami skyline and sea in the distance make a picture perfect setting. Both inside and out, Anila is an enchanting experience.
