SUN CATCHING VILLA

The possibilities are so numerous in Miami that you will not be able to do them all on your first visit. With the year round sunny weather of Miami, the city is fitting to those of all interests and backgrounds. You can go anywhere from a cultural tour of the impressive 1930's architecture buildings, to Little Havana with its cigar shops and its Cuban food as well as the many tropical attractions (e.g. the Fairchild Tropical Botanic Garden, the Miami Seaquarium or the Monkey Jungle).

Otherwise, you can simply take a breath on Miami's beaches to practise one of the dozens of marine activities. For those interested in the party scene, you must not miss out on the legendary nightlife in the world capital of clubbing. No matter what you are looking for you will never be bored in Miami.

Few villas in Miami Beach capture the sun, sea, and warmth quite like Villa Julia. Decorated in bright, inviting textures and featuring an open design both inside and out, the villa lets in the light and natural beauty of this bay side property seep into your luxury vacation. Large windows highlight the living and dining areas as well as the kitchen and bedrooms, giving you an enchanting view of the bay, pool, and terrace night and day. Luxurious bedrooms with sitting areas and en suite bathrooms make going to sleep and waking up a pleasure. Outside, Villa Julia features a multi-level terrace as well as a vanishing edge pool with cascading waterfall, barbeque area, and a bayside dock. And because it's just 5 minutes from the beach, Villa Julia has everything you need in order to experience the very best of Miami Beach.
