

Chalet La Ferme de Pascal , Megeve

TERRIFIC RENOVATED FARM HOUSE

La ferme de Pascal is located in the Mont d'Arbois, in the hamlet called Le Maz, near the small ski slope which joins the center of the village at the Chamois ski lifts. It has a magnificent view of the Mont d'Arbois and Rochebrune. Children have the opportunity to go sledding in the park down against the cottage.

La Ferme de Pascal is a new project that was completed in summer 2012, in a traditional old wood fashion respecting the typical architecture of the farms in the region. Its design combines a soft blend of antique furniture with a contemporary twist. This Chalet also has an indoor jacuzzi and steam room. It is perfect for a family or group of friends wishing to stay in a typical farm with beautiful volumes with all the current technology
