HEAVEN IN HIBISCUS ISLAND

The possibilities are so numerous in Miami that you will not be able to do them all on your first visit. With the year round sunny weather of Miami, the city is fitting to those of all interests and backgrounds. You can go anywhere from a cultural tour of the impressive 1930's architecture buildings, to Little Havana with its cigar shops and Cuban food as well as the many tropical attractions (e.g. the Fairchild Tropical Botanic Garden, the Miami Seaquarium or the Monkey Jungle). Otherwise, you can simply take a breath on Miami's beaches to practise one of the dozens of marine activities. For those interested in the party scene, you must not miss out on the legendary nightlife in the world capital of clubbing. No matter what you are looking for you will never be bored in Miami.

Villa Ivonne offers the luxury traveller a Miami Beach vacation experience like none other. This luxury villa features a breathtaking exterior, complete with lush, meandering gardens of palm trees and tropical plants, a pristine heated pool, a Spanish inspired fountain and exterior design, dock and terrace, and a fully detached poolside guest house with 1 bedroom and bathroom.

There are 3 bedrooms inside the main house, all of them with an en-suite bathroom. They are incredibly roomy and decorated with bright and inviting décor. The spacious kitchen, dining, and living rooms combine modern design with traditional accompaniment, while the sunroom offers an intimate, cozy place to take tea or pass the day quietly, enjoying the sunny vistas through its large, panoramic windows.
