BREATHTAKING VIEWS OVER MIAMI BEACH.

The possibilities are so numerous in Miami that you will not be able to do them all on your first visit. With the year round sunny weather of Miami, the city is fitting to those of all interests and backgrounds. You can go anywhere from a cultural tour of the impressive 1930's architecture buildings, to Little Havana with its cigar shops and Cuban food as well as the many tropical attractions (e.g. the Fairchild Tropical Botanic Garden, the Miami Seaquarium or the Monkey Jungle). Otherwise, you can simply take a breath on Miami's beaches to practise one of the dozens of marine activities. For those interested in the party scene, you must not miss out on the legendary nightlife in the world capital of clubbing. No matter what you are looking for you will never be bored in Miami.

The property is a 5,000+ sq ft, state-of-the-art, two-story waterfront home with breathtaking views of Miami Beach & Downtown Miami. It has 5 elegantly appointed in-suite bedrooms including an exotic bay front Cabana, digital entertainment library access and personal safes.
