

Villa Tramonto , Amalfi Coast

EXCEPTIONAL VILLA WITH BREATHTAKING VIEWS OVER AMALFI

Located on the Amalfi Coast, renowned for its sheer cliffs and a rugged shoreline dotted with small beaches and pastel-colored fishing villages, the villa is the perfect place to enjoy everything Italy has to offer. The peaceful neighborhood and the proximity with the shops, restaurants and beaches add even more charm to the villa.

The elegant property is an excellent example of styles fusion: antique pieces and high vaulted ceilings stand alongside modern features.

If you come here in search of sun, the several terraces and gardens with the swimming pool will definitely conquer you more: stunning views over the Mediterranean sea and the valley, spacious solarium, relaxing sitting areas, dining al-fresco area and even more.
