

Villa Marina , Amalfi Coast

ELEGANT VILLA WITH UNIQUE VIEW

The particularity of the Amalfi Coast is the mountainous landscape near the sea. Most of the beautiful villages in this region are on the mountain sides and are not suitable for people with walking difficulties. Nevertheless, these typical villages are very nice to visit during summer.

Villa Marina is a recently-restored spacious villa in Amalfi with numerous bedrooms, perfect for large families or group of friends.

The house has a modern design totally in harmony with the traditional Mediterranean style.
