

Chalet Chamois , Megeve

LUXURY WITH A VIEW OVER MONT BLANC

This 2 floor luxury chalet was finished in 2008.

Located in the Jaillet quarter of Megeve, facing Mont Blanc and Rochebrune, this semi-detached chalet includes a twist of contemporary furnishing. This is an adorable spot to truly enjoy all that Megeve has to offer, both on the slopes and after a long day skiing with its sauna and Jacuzzi.

Light pours in from the Jaillet side as the chalet has a westerly orientation, with no direct neighbours allowing for a fair amount of calmness. The dining table is bar style, therefore more ideal for design-oriented guests. The interiors include old wood, with tones of grey, black and brown. There are two areas for watching TV and a nice kitchen for those who enjoy cooking, with a gas stove and plenty of space.

You will be able to drive into the centre of Megeve in just 10 minutes or use your car on the back roads of the Jaillet.
