

Elea , Mykonos

STUNNIG VILLA WITH PANORAMIC VIEW

This villa has an elevated position on top of the hills, allowing the villa to have magnificent stretching views from one beach to the other, and even views towards the neighboring islands. This fresh property allows great privacy and is located in close distance to the beach. It has a perfect location when it comes to entertaining water sports, these are located just a short drive away.

The grand terrace stretches all the way to the front of the property and lead to a crystal clear infinity pool and sun beds on both sides. The villa offers two outdoor dining areas, one of them connected to the kitchen. The villa has elegant wooden furniture combined met stylish and modern sofa´s for ultimate relaxation. If you are looking for a stylish villa with excellent panoramic views, villa Elea might be the perfect solution.
