

Villa California , Saint Tropez

AMAZING VIEW

The villa is in a private domain situated in a peaceful and natural environment.

Ideal for those wanting to enjoy a tranquil, relaxing holiday, yet want to be close to all the amenities and beaches.

5 bedroom villa in the hills of Grimaud, facing the sea. Villa California accommodate up to 9 guests, with private overflow pool, magnificent natural surroundings.

Designed in a contemporary style, with warm Mediterranean touches, it has large open plan living spaces that are bathed in light and open up onto magnificent Mediterranean surroundings. The high ceilings of the interior allow exceptional volume, space and light. With tall sliding windows of the living area opening onto connecting terraces, you have the sensation of nature coming in.

Lie in the privacy and shade of a loggia looking out through picture windows towards the exotically planted garden and the dramatic landscape, dine al fresco under bamboo gazing out to the sea, or take your aperitif by the crystal blue azur pool. The villa offers many possibilities for a relaxing and magical stay, disturbed only by the song of the crickets.

The villa is furnished to a high standard, with an eclectic mix of antique and contemporary furniture and lights.
