

Villa Milady , Biarritz / Saint Jean de Luz

WARM, CLASSY AND CHARMING VILLA

Located in the south of Biarritz, the villa is perched on a quiet, arboreal hillside. Also situated at 800m from the beach, it offers an easy access to the famous restaurant La Plancha and the Blue Cargo lounge/restaurant, where you can watch the sun disappear in the ocean while sipping your favourite drink.

The inviting indoor lounge area with the fireplace as well as the sunny terrace are the perfect setting for a small party or an elegant dinner. Or how about slide into the heated waters of your pool and watch the stars glimmering in the sky. Milady offers plenty of room for privacy and comfortably sleeps 10 persons in its five bedrooms on three floors. Deluxe in-suite bathrooms in two of the bedrooms and proper balconies with views of the city allow you to retreat into your own world whenever you feel like. The other 3 bedrooms are equally intimate with only the highest quality linen, furniture and interior design.
