SPECTACULAR MANSION IN ELIZABETH BAY

A harbourside suburb located just 3 km east of the Sydney CBD, Elizabeth Bay is located on the eastern side of a ridge along the Potts Point Peninsula. If you are interested in architecture, you may want to visit Elizabeth Bay House to appreciate the grand old architecture of yesteryear. For that lazy Sunday afternoon picnic, Potts Point, Woolloomooloo and Elizabeth Bay offer plenty of parks and playgrounds to choose from.

This magnificent seven-bedroom manor home overlooks all the glory of Sydney Harbour from its expansive well-manicured grounds. Enjoy your own jetty access, adjoining an enclosed harbour pool to cool down in while you watch the fun on the water.
