PURE RELAXATION

Villa Zen is based in Seminyak – where all the action is in Bali. From the villa, a minute's walk will bring you to Jalan Raya – Seminyak's main street lined with fashion boutiques, novelty shops and souvenir stores. Not too far away is the Oberoi District's Eat Street – a foodie strip with casual to fine-dining restaurants. Highly recommended among these are La Lucciola and Mamasan. Eventually, you will arrive at Seminyak Beach. Choose a spot at any of the cozy beach cafes and just chill all afternoon. After dark, dance the night away at go-to bars and clubs like Ku De Ta.

Villa Zen is a resort-style complex composed of four pavilions that embody traditional Balinese architecture and rustic chic. Designed for yoga retreats of large groups or parties, or for live-in, destination celebrations of extended families or big groups of friends, the villa has spacious interiors appointed with beautifully crafted wooden furnishings in varying forms, as well as with ornate, classic and comfortable, contemporary pieces. Areas are also adorned with Hindu and Timor figures and artworks combined with modern renditions of traditional themes. Rooms are fitted with elegant amenities mostly made of natural stone, as well as other essential facilities that are, expectedly, five star. With all its features for guest convenience and enjoyment, Villa Zen lives up to its promise of absolute recreation and relaxation, as well as of truly memorable events and momentous occasions.
