Villa Praiano , Amalfi Coast

STUNNING VILLA IN PRAIANO

Located in the Amalfi Coast, one of Italy's most piercing destinations with mountains plunging into the sea, cliffs-clinging and verdent woodland. Praiano's town center is the perfect location to explore the coast or simply have a look at the stores and cafes of this charming town.

The villa offers spacious living-room and broad open-air space. It will make your stay as perfect as possible. Access a well-maintained garden by a set of stones steps braced up by charming and abundant vegetation or have a breakfast on lounges near the swimming pool and enjoy a panoramic view of cliffs.
