

Mas Fleuri , Provence

A PARADISE IN THE HEART OF LUBERON

The villa is perfectly located in the heart of the beautiful village of Luberon, where many summer festivals in Provence take place. You will combine relaxation, gastronomic and cultural exploration, and sport activities to make the most of your stay. The property is located in a little street close to shops and restaurants but also surrounded by greenery. This villa is very cosy, you will feel the "Provencal lifestyle".

This ancient villa used to be a post office built in the 16th beautiful garden and its calm atmosphere. You will find antique decorations all around the house. Magical.
