IBIZA BLISS

Located in the exclusive and protected area of Roca Llisa, 15 mn east of Ibiza town and hanging on a cliffside, stands this incredible newly built luxury villa providing extraordinary sea views from all levels and bedrooms. Simply extraordinary.

The house was designed by a renowned Spanish architect, while the decoration (a subtle blend of contemporary minimalism and ethnic themes) was completed from scratch with custom made furniture, rugs and lighting by another rising star of Spanish design. With the bedrooms mostly located on the higher level, and the multiple pools below, the middle level consists of a huge open space regrouping dining and living areas with a library/tv corner. The open kitchen can be isolated by a sliding panel in order to allow your chef prepare dinner without disturbing the guests. Large glass windows let the sun shine in from every angle. Outside, a first pool deck is accessible directly from the main floor and provides extraordinary views; below, a second larger pool will accommodate many guests, while a third pool awaits inside next to a Jacuzzi.
