

Villa Paml Beach , Sydney

ELEGANT PROPERTY IN WHALE BEACH.

The villa stands in the prestigious district of Whale Beach, known to be very private and to offer very luxurious settings.

More precisely it is situated on a hillside overlooking the Pittwater river with beautiful views on the water and the national park.

The villa built in the 1930's, is a magnificent 4 storey sandstone house offering view on the ocean.

The interior design blends an old and new design to create an comfortable and stately environment.

This mansion is an idyllic private hideaway that is likely to leave you with excessive feelings of grandeur.

A beautiful cabana with barbeque adjoins the horizon swimming pool with heated spa along, with a pool room adjoining the main house with separate lounge, entertainment and kitchen areas.
