

Chalet Panmah , Courchevel

EXQUISITE LUXURY

Luxury chalet Panmah is one of the five luxury chalets operated by popular Hotel Le K2. Known for top notch services and the best of facilities, Hotel Le K2 redefines luxury. The chalet is located right above the Cospillot piste thereby offering breathtaking views of the Bel Air Mountain. The chalet is situated

pretty close to the resort centre, so you can hang out at chic restaurants with your family or friends while the seclusion of your private chalet awaits you.

Chalet Panmah occupies a surface area of 500sqm and is organized on four levels. Like other four chalets in the kitty of Le K2, Chalet Panmah also offers a wonderful balance of contemporary style accented with alpine tradition. The finish and

furnishings are of highest standard while the hues of gray, brown and cream lend a light and fresh appeal to the décor.

Featuring five double bedrooms, Chalet Panmah can comfortably sleep up to ten guests. All the bedrooms are en suite with bathroom, toilet, dressing room and a balcony to admire the exquisite vistas. The living and dining areas span on the second floor; the living area also comprises two lounge areas, bar, library and large bay windows. The fully equipped kitchen is your private chef's domain for preparing gourmet delicacies.

Pool and spa area is on the lowest level; swimming pool with waterfall, swim jets and spa jets is the most invigorating feature. There is also a staff bedroom on this level and a lift that serves all the floors of this chalet. This ski in/ ski out chalet is an ideal vacation hideaway in the Alps.
